Universidade da Beira Interior, Portugal
Departamento de Matemática
Centro de Matemática e Aplicações da UBI

Certificate

We certify that **Marília Pires** from **University of Évora, Mathematics Department, CIMA-UE and CEMAT-IST, Portugal**, actively participated at the **VI Workshop on Computational Data Analysis and Numerical Methods (VI WCDANM)**, held on June 27-29, 2019, at the Universidade da Beira Interior, Portugal, presenting the talk entitled: *An alternative Viscoelastic Model for Blood Flow Simulation*, a joint work with Tomas Bodnar.

Executive Committee Chairs:

Luís Miguel Grilo
Instituto Politécnico de Tomar
Portugal

Fernando Manuel Lucas Carapau
Universidade de Évora
Portugal

Organizing Committee:

Alberto Simões
Universidade da Beira Interior
Portugal
